## ARTICLE 2.

### SUBMISSION OF PROPERTY TO CONDOMINIUM STATUTE

The property submitted to the Oregon Condominium Act by this Declaration is held by Declarant and conveyed by Declarant in fee simple estate. The land submitted is located in the City of Portland, Multnomah County, Oregon, and is more particularly described in the attached **Exhibit A**. The property submitted includes the land so described, all buildings, improvements and structures, all easements, and rights and appurtenances located on, belonging to or used in connection with such land.

## ARTICLE 3.

### NAME OF CONDOMINIUM

The name by which the Condominium shall be known is "**Mill Creek Homes, A Condominium.**"

## ARTICLE 4.

### UNITS

4.1 **General Description of Buildings.** Stage 1 contains twelve buildings of dwelling units. Each of such buildings contains two stories, without basement. The buildings are of wood frame construction with fiber cement, synthetic stucco and cedar bevel and/or shingle siding and cedar roofs.

4.2 **General Description, Location and Designation of Units.** Stage 1 consists of twelve units. The designation, location, description of boundaries and area in square feet of each unit, including garage, are shown on the Plat and the attached **Exhibit B**.

4.3 **Boundaries of Units.** Each unit shall be bounded by the interior surfaces of its perimeter and bearing walls, floors, ceilings, windows and window frames, doors and door frames, and trim. The unit shall include all lath, furring, wallboard, plasterboard, plaster, paneling, tiles, wallpaper, paint, finished flooring and any other materials constituting any part of its finished surfaces, except those portions of the walls, floors or ceilings that materially contribute to the structural or shear capacity of the Condominium. All other portions of the walls, floors or ceilings shall be a part of the common elements. In addition, each unit shall include the following: (a) All spaces, nonbearing interior partitions, windows, window frames, exterior doors, door frames and all other fixtures and improvements within the boundaries of the unit, including without limitation, garages; and (b) All outlets of utility and communications service lines, including but not limited to power, light, gas, hot and cold water, heating, refrigeration, air conditioning and waste disposal, security, cable television and telephone, within the boundaries of the unit, but shall not include any part of such lines or ducts themselves.

## ARTICLE 5.

### **GENERAL COMMON ELEMENTS**

The general common elements consist of the following:

5.1 The land, pathways, driveways, fences, grounds, and parking areas, except yards, including any patios or walkways therein, and decks designated as limited common elements by Article 6 below.

5.2 Pipes, ducts, flues, chutes, conduits, wires, storm and sanitary sewer lines and other utility and communications installations to their outlets.

5.3 Roofs, foundations, bearing and shear walls, perimeter walls, beams, columns and girders to the interior surfaces thereof.

5.4 All other elements of the buildings and the Condominium necessary or convenient to their existence, maintenance and safety, or normally in common use, except as may be expressly designated in this Declaration as part of a unit or a limited common element.

## ARTICLE 6.

### LIMITED COMMON ELEMENTS

The following shall constitute limited common elements, the use of which shall be restricted to the units to which they pertain:

6.1 All second story decks, each of which shall pertain to the unit which it adjoins as shown on the Plat.

6.2 All yards, including any patios, decks or walkways located therein, marked as limited common elements on the Plat, each of which shall pertain to the unit it adjoins as indicated on the Plat.

---

## ARTICLE 7.

### ALLOCATION OF UNDIVIDED INTERESTS IN COMMON ELEMENTS

Each unit will be entitled to an undivided ownership interest in the common elements determined by the ratio by which the approximate area of the particular unit bears to the total approximate area of all units combined, as shown on the attached **Exhibit B**. Such allocation will change if additional stages are added to the Condominium as is more particularly described in Section 15.4 below. Each unit's interest in the common elements shall be inseparable from the unit and any conveyance, encumbrance, judicial sale, or other transfer, voluntary or involuntary, of an undivided interest in the common elements shall be void unless the unit to which that interest is allocated is also transferred.

## ARTICLE 8.

### COMMON PROFITS AND EXPENSES; VOTING

8.1 **Allocation of Common Profits and Expenses.** The common profits and common expenses of the Condominium shall be allocated to the owner of each unit according to the allocation of undivided interest of such unit in the common elements. Except upon termination of the Condominium or as otherwise provided in the Bylaws with respect to damage, destruction or condemnation, any such common profits shall be used solely for the purpose of maintaining, repairing and replacing the common elements or for other expenses or reserves of the Association.

8.2 **Allocation of Voting Rights.** Each unit owner shall be entitled to one vote in the affairs of the Association and for the purposes of this Declaration for each unit owned by such owner. The method of voting shall be as specified in the Bylaws.

## ARTICLE 9.

### SERVICE OF PROCESS

The designated agent to receive service of process in cases provided in subsection (1) of ORS 100.550 is named in the Condominium Information Report which has been filed in accordance with ORS 100.250(1)(a).

## ARTICLE 10.

### USE OF PROPERTY

Each unit is to be used for residential purposes as described in the Bylaws. Additional limitations on use are contained in the Declaration of Protective Covenants, Conditions and Restrictions for Forest Heights, as amended (the "**Forest Heights Declaration**"), the Bylaws and the rules and regulations adopted pursuant to the Bylaws. Each unit owner shall be bound by each of such documents.

## ARTICLE 11.

### MAINTENANCE OF COMMON ELEMENTS

11.1 **Responsibility for Maintenance.** The necessary work to maintain, repair or replace the common elements shall be the responsibility of the board of directors of the Association and shall be carried out as provided in the Bylaws.

11.2 **Mortgagee's Rights upon Failure to Maintain.** If the mortgagee of any unit determines that the board of directors is not providing an adequate maintenance, repair and replacement program for the common elements, such mortgagee, at its option, may give a notice to the board of directors by delivering same to the registered agent, setting forth the particular defect which it believes exists in the maintenance, repair and replacement program. If the specified defects are not corrected within 90 days subsequent to receipt of such notice, then the mortgagee, upon written notice to the registered agent that it is exercising its proxy rights, shall have the right to attend succeeding annual or special meetings of the Association and to cast a vote for each unit on which it holds a mortgage on all business coming before such meeting. Such proxy rights shall continue until the defects listed on the notice are corrected.

11.3 **Rights of City Upon Failure to Maintain.** The provisions of this Declaration and of the Bylaws regarding the maintenance, repair and replacement of the common elements shall be deemed to be for the benefit of the City of Portland, as well as the unit owners, and the City may enforce such provisions by appropriate proceedings at law or in equity. Without limitation to the foregoing, the City may deliver a written notice to the board of directors by delivering the same to the registered agent, setting forth the particular defect which it believes exists in the

maintenance, repair and replacement program. If the specified defects are not corrected within 30 days after receipt of the notice, or, if such correction cannot reasonably be completed within such time, the Association fails within such time to commence and pursue the correction with reasonable diligence, then the City may take necessary curative action. In such event, the cost of correction by the City shall constitute a lien against each unit and its interest in the common elements based upon such unit's share of the common expenses as provided in this Declaration.

## ARTICLE 12.

### EASEMENTS

12.1 **In General.** Each unit has an easement in and through each other unit and the common elements for all support elements and utility, wiring, heat, and service elements, and for reasonable access thereto, as required to effectuate and continue proper operation of the Condominium. In addition, each unit and all the common elements are specifically subject to easements as required for the electrical wiring and plumbing for each unit. The specific mention or reservation of any easement in this Declaration does not limit or negate the general easement for common elements reserved by law. Each unit owner has an unrestricted right of ingress and egress to his or her unit. This right is perpetual and passes with the ownership of the unit.

12.2 **Encroachments.** Each unit and all common elements shall have an easement over all adjoining units and common elements for the purpose of accommodating any present or future encroachment as a result of engineering errors, construction, reconstruction, repairs, settlement, shifting, or movement of any portion of the property, or any other similar cause, and any encroachment due to building overhang or projection as long as the physical boundaries of the units are in substantial accord with the description of those boundaries that appears in the Declaration. There shall be valid easements for the maintenance of the encroaching units and common elements so long as the encroachments shall exist, and the rights and obligations of owners shall not be altered in any way by the encroachment. This provision does not relieve a unit owner of liability in the case of willful misconduct of the unit owner, or relieve Declarant or any contractor, subcontractor or materialman from any liability as a result of failure to adhere to the Plat. The encroachments described in this Section 12.2 shall not be construed to be encumbrances affecting the marketability of title to any unit.

12.3 **Granting of Easements by Association.** Pursuant to ORS 100.405(5), the Association, upon prior approval of 75 percent of the voting power of the unit owners, may grant, execute, acknowledge, deliver and record on behalf of the unit owners leases, easements, rights-of-way, licenses, and similar interests in excess of two years affecting the common elements and consent to vacation of roadways within and adjacent to the Condominium. Any such instrument shall be executed by the chairperson and secretary of the Association. No such interest may be granted with regard to a limited common element unless the owners and mortgagees of the units having the right to use such limited common element consent to and join in the instrument granting the interest.

12.4 **Right of Entry.** The board of directors of the Association, managing agent, manager or any other person authorized by the board of directors shall have the right to enter any unit and limited common element in the case of an emergency originating in or threatening such unit or other condominium property, whether or not the owner is present at the time. Such persons shall also have the right to enter any unit and limited common element for the purpose of performing installations, alterations or repairs to any common element and for the purpose of inspection to verify that the unit owner is complying with the restrictions and requirements described in this Declaration and the Bylaws, provided that requests for entry are made in advance and that such entry is at a time convenient to the owner.

12.5 **Easements for Declarant.** Declarant and Declarant's agents, successors and assigns shall have an easement over and upon the common elements as may be reasonably necessary for the purpose of constructing additional stages and completing or making repairs to existing structures for the purpose of carrying out sales and rental activities necessary or convenient for the sale or rental of units, including, without limitation, the right to use the units owned by Declarant as model units and the right to use a unit as a sales office, and for the purpose of discharging any other obligation of Declarant or exercising any other special Declarant right, whether arising under the Oregon Condominium Act or reserved in this Declaration or the Bylaws.

12.6 **Reservation of Easements for Future Development.** Until such time, if ever, that the real property described in Exhibit C has been annexed to the Condominium, Declarant hereby reserves (a) a nonexclusive easement for ingress and egress over all roadways and driveways within the Condominium, and over such portion of the vacant land as may be necessary to connect roads with such roadway and driveway system, (b) an easement for the maintenance and use of all existing utility lines and systems within the Condominium, including without limitation water, sewer, gas, electrical, telephone, communication and cable television systems, and (c) an easement for the installation, maintenance and use of new utility lines and systems upon the general common element land of the Condominium, provided Declarant restores any damage to the general common elements resulting from such installation or maintenance. Such easements shall be for the benefit of and shall run with the ownership of the entire remainder of the proposed project site, more particularly described in the attached Exhibit C, and each and every portion thereof, whether or not such property is annexed to the Condominium as provided in Article 15 below.

## ARTICLE 13.

### **APPROVAL BY MORTGAGEES**

13.1 **Notice of Action.** Upon written request to the Association identifying the name and address of the holder, insurer or guarantor and the unit number or address of the unit on which it has (or insures or guarantees) the mortgage, any such eligible mortgage holder or eligible insurer or guarantor shall be entitled to timely written notice of the following:

(a) Any condemnation or casualty loss which affects a material portion of the Condominium or affects the unit securing its mortgage.

(b) Any 60-day delinquency in the payment of assessments or charges owed by an owner of any unit on which it holds the mortgage.

(c) Any lapse, cancellation or material modification of any insurance policy maintained by the Association.

(d) Any proposed action which would require consent of a specified percentage of eligible mortgage holders as required by this article.

### 13.2 Termination and Amendment to Documents.

(a) The approval of eligible holders holding mortgages on units which have at least 67 percent of the voting rights of units subject to eligible holder mortgages shall be required to terminate the legal status of the project as a condominium for reasons other than substantial destruction or condemnation of the property.

(b) Except when a greater percent is required by the Declaration or Bylaws, or a greater or lesser percent is required by the Oregon Condominium Act, the consent of the owners of units holding at least 67 percent of the voting rights and the approval of eligible holders holding mortgages on units which have at least 51 percent of the voting rights of the units subject to eligible holder mortgages shall be required for any amendments of a material nature to the Declaration or Bylaws. Any amendment to the Declaration or Bylaws which changes any of the following shall constitute a material change:

- (1) Voting rights;
- (2) Increases in assessments that raise the previously assessed amount by more than twenty-five percent (25%), assessment liens or the priority of such liens;
- (3) Reduction in reserves for maintenance, repair and replacement of the common elements;
- (4) Responsibility for maintenance and repairs;
- (5) Reallocation of interests in the general or limited common elements, or rights to their use, except as otherwise provided in Article 15;
- (6) The boundaries of any unit;

- (7) Convertibility of units into common elements or of common elements into units;
- (8) Expansion or contraction of the Condominium or the addition, annexation or withdrawal of property to or from the Condominium, except as provided in Article 15;
- (9) Hazard or fidelity insurance requirements;
- (10) Imposition of any restrictions on the leasing of units;
- (11) Imposition of any restriction on the right of a unit owner to sell or transfer his or her unit;
- (12) A decision by the Association to establish self-management when professional management had been required previously by this Declaration, the Bylaws or an eligible mortgage holder;
- (13) Restoration or repair of the Condominium (after damage or partial condemnation) in a manner other than specified in this Declaration or the Bylaws;
- (14) Any action to terminate the legal status of the Condominium after substantial destruction or condemnation occurs; or
- (15) Any provisions that expressly benefit mortgage holders, insurers or guarantors.

(c) An addition or amendment to the Declaration or Bylaws shall not be considered material for purposes of Section 13.2(b) if it is for the purpose of correcting technical errors, or for clarification only. Any eligible mortgage holder who receives a written request to approve any termination, additions or amendments and who does not deliver or post to the requesting party a negative response within 30 days shall after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, return receipt requested, be deemed to have approved such request.

13.3 **Additional Approvals.** In addition to any other approvals required by the Oregon Condominium Act, this Declaration or the Bylaws, the prior written approval of two-thirds of the holders of first mortgages on units in the Condominium (based upon one vote for each first mortgage owned) or unit owners (other than Declarant) must be obtained for the following:

- (a) Abandonment or termination of the Condominium regime.

(b) Except as otherwise provided in Section 15.4, any change in the pro rata interest or obligations of any individual unit for (a) purpose of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, or (b) determining the pro rata share of ownership of each unit in the common elements.

(c) The partition or subdivision of any unit.

(d) Abandonment, partition, subdivision, encumbrance, sale or transfer of the common elements. The granting of easements for public utilities or for other public purposes consistent with the intended use of the common elements by the condominium project shall not be deemed a transfer within the meaning of this clause.

(e) Use of hazard insurance proceeds for losses to any condominium property, whether to units or to common elements, for other than the repair, replacement or reconstruction of such improvements, except as provided by statute in cases of substantial loss to the units and/or common elements of the condominium project.

13.4 **Notice to First Mortgagees of Defaults.** Any first mortgagee, upon request, will be entitled to written notification from the Association of any default in the performance by the owner of the mortgaged unit of any obligation under this Declaration, the rules and regulations or the Bylaws which is not cured within 60 days.

## ARTICLE 14.

### ASSOCIATION OF UNIT OWNERS

14.1 **Organization.** Upon the recording of this Declaration an association of unit owners shall be organized to serve as a means through which the unit owners may take action with regard to the administration, management and operation of the Condominium. The name of this association shall be "Mill Creek Homes Condominium Association," and the Association shall be an Oregon nonprofit corporation.

14.2 **Membership; Board of Directors.** Each unit owner shall be a member of the Association. The affairs of the Association shall be governed by a board of directors as provided in the Bylaws.

14.3 **Powers and Duties.** The Association shall have such powers and duties as may be granted to it by the Oregon Condominium Act, including each of the powers set forth in ORS 100.405(4), together with such additional powers and duties afforded it by this Declaration or the Bylaws.

14.4 **Adoption of Bylaws, Declarant Control of Association.** Upon the execution and the recording of this Declaration, Declarant shall adopt Bylaws for the Association, which Bylaws

are attached as **Exhibit D**. Declarant specifically reserves the right to control the Association by appointing the interim directors of the Association until the organizational and turnover meeting of the Association has been held and the unit owners have elected regular directors as provided in Sections 2.2 and 3.4 of the Bylaws. In addition, Declarant shall have the right to consent to any amendment to the Declaration or the Bylaws as provided in Section 16.2 below and Section 9.2 of the Bylaws.

## ARTICLE 15.

### PLAN OF DEVELOPMENT

The Condominium may be developed in stages. By recording this Declaration, Declarant hereby submits Stage 1 to the Condominium form of ownership. Declarant reserves the right to add additional stages to the Condominium and to annex such additional stages by recording supplements to this Declaration pursuant to ORS 100.120, together with a plat of the stage being annexed bearing a completion certificate as required by ORS 100.120 and 100.115. All improvements shall be substantially completed prior to annexation.

15.1 **Maximum Number of Units**. If fully developed, the Condominium shall contain not more than 125 units.

15.2 **Termination Date**. No additional stage may be added more than seven years after the recording of this Declaration. Such date may be extended for a period not to exceed two years by an amendment adopted pursuant to Section 16.2.

15.3 **Additional Common Elements**. Declarant does not propose to include in future stages any common elements which would substantially increase the proportionate amount of the common expenses payable by owners of units in Stage 1.

15.4 **Allocation of Interests in Common Elements**. The allocation of undivided interests in the common elements of units in Stage 1 will change if additional stages are annexed to the Condominium. Such allocation shall be determined by the ratio of the approximate area of each unit compared to the total approximate area of all units then existing in the Condominium.

15.5 **Legal Description of Additional Stages**. A legal description of the property upon which the additional stages would be located is included in the attached **Exhibit C**.

## ARTICLE 16.

### AMENDMENT

16.1 **How Proposed**. Amendments to the Declaration shall be proposed by either a majority of the board of directors or by unit owners holding thirty percent (30%) or more of the

voting rights. The proposed amendment must be reduced to writing and shall be included in the notice of any meeting at which action is to be taken thereon or attached to any request for consent to the amendment.

16.2 **Approval Required.** Except as may otherwise be provided in this Declaration or by the Oregon Condominium Act, this Declaration may be amended if such amendment is approved by unit owners holding 75 percent of the voting rights of the Condominium and by mortgagees to the extent required by Article 13. Declarant's prior written consent shall also be required until annexation of the last stage of the Condominium and so long as Declarant owns 25 percent or more of the total number of units which Declarant may submit to the Condominium, but no such consent shall be required after five years from the date of conveyance of the first unit to a person other than Declarant. Except as provided in Article 15 and except as otherwise permitted by the Oregon Condominium Act, no amendment may change the size, location, allocation of undivided interest in the common elements, method of determining liability for common expenses, right to common profits, or voting rights of any unit unless such amendment has been approved by the owners and mortgagees of the affected unit. Any amendment which would limit or diminish any special Declarant rights established in this Declaration, including the right of Declarant to annex additional stages under Article 15, or the Bylaws shall require the written consent of Declarant.

16.3 **Recordation.** The amendment shall be effective upon recordation in the Deed Records of Multnomah County, Oregon, of the Declaration as amended or of the amendment thereto, certified to by the chairperson and secretary of the Association as being adopted in accordance with this Declaration and the provisions of the Oregon Condominium Act, and approved by the county assessor and the Real Estate Commissioner if such approvals are required by the Oregon Condominium Act.

## ARTICLE 17.

### SEVERABILITY

Each provision of this Declaration and the Bylaws shall be deemed independent and severable, and the validity or partial invalidity of any provision shall not affect the validity or enforceability of the remaining part of that or any other provision of this Declaration or the Bylaws.

ARTICLE 18.
